ALBUQUERQUE, - - MAY 3, 1898

Sweet land of liberty, Of thee I sing. Long may our land be bright With Freedom's holy light Great God, our King!

SPAIN is in deep trouble, with a foreign war and mobs at home.

THE Democrat says it has an editorial writer, which is a neat designation for the office scissors.

The school board made no mistake in handsome majority of two years ago. He selecting B. W. Hopkins for president is the kind of a man we all want in that are admirably well qualified to fill the stays there.

business houses be closed on said day, and that the people of the city generally lay saids their avocations on the afternoon of the said May the to the end that albuquerque day of the spring meeting be made a success.

business houses be closed on said day, but the city generally lay saids their avocations on the afternoon of the said May the to the end that albuquerque day of the spring meeting be made a success.

GRAND CENTRAL.

Spanish before the end of the skirmish.

THE fear of an Indian uprising during not attain dimensions. Should such an

THE present would be a propitious time for General Coxey and his army of the commonweal to put in an appearance. There is plenty of marching to be done now, and men who are inclined that way are in demand.

THE CITIZEN'S splendid telegraphic news service is winning universal commendation in these times when the earliest and most reliable news from the front and the national capital is anxionsly sought for by all classes and conditions of readers.

Some people should study the news- forces of the enemy. paper laws, in regard to subscriptions particularly. They will find that bills contracted with a newspaper are just as legitimate, and often more worthy of

length.

Arthur Spencer, son of the editor of the began. News of this city, was the first man in this city to volunteer his services to his country in the war with Spain. Arthur geons who pass upon the qualifications is a good boy, and will make a record of the volunteers in the United States honorable to home the work by wards and his stay was exceedingly pleasant. He honorable to himself and his worthy pa- army. They are much better fitted to left yesterday morning for Socorro.

GREAT pressure is being brought to bear upon the president for appointments in the military service. One hunrequire, as organized to-day, twelve major-generals and thirty four brigadier- returned to his home in Baltimore. generals, and there seems to be about one hundred and twenty-five thousand applications for the positions.

Japan is believed to be casting covetous eyes on the Philippines. Well, it doesn't make much difference to the United States where they go so long as Spain is forced to relinquish them and a their fighting qualities. convenient coaling station is secured there for this government. The fact that the United States has no coaling station in Pacific waters is strictly in keeping with our general policy of contining our attention and energy to party politics and ignoring the rest of the world.

WILL NOT HURT BUSINESS. When it is borne in mind that all the men likely to be engaged in the war with Spain will not amount to one per cent of the active working male population of the country, and that all the money that will be expended is less than importance of the war, considered with store.

respect to its effect on trade and indus try, is insignificant. There is no good reason why business should not go on ports of the trade reviews show that this is the view taken generally by merchants and by the heads of large industrial en-

Wine for Sale. Native wine, pure and healthful, at only 50 cents a gallon at C. A. Grande's 305 north Broadway.

Some of the Boys On Monday the following Albuquerque recruits were examined and passed by

the United States surgeon at Santa Fe: William Mattocks, Garfield Hughes, T. D. Fennessy, A. L. Perry, Frank Quier, Goldburg, Arthur Spencer, George Armijo, Charles Leffert and Arthur Bussell.

A BRAVE OFFICER.

The manner in which Sheriff T.S.
Hubbell disposed of Louis Imbert, the wife murderer, on Sunday morning, has created much favorable comment on the streets among all people, regardless of politics. He had a desperate man to deal with, one who was already under sentence to serve eighteen months in the penitentiary, who had just killed his wife, and who subsequent developments showed courted death under any circum
